

Sponsorship Form

ENGINEERS WEEK

February 14 - 20, 2010

Keynote Banquet Speaker

The Toledo Area Engineers Week Celebration has been recognized year after year as the top Engineers Week Celebration state wide. We received this honor again in 2009, and we have no doubt we will receive it again in 2010.

Throughout the years our events have been successful due in part to the generosity of our sponsors whether in-kind or monetarily. Sponsor's dollars are used to help defray the various costs of maintaining all Engineers Week programs including handouts, Engineer for a Day lunches for students and teachers, administrative costs, speaker fees, flowers, plaques, scholarships, facilities and miscellaneous costs. Without the continued support from our sponsors, the level of many of the events we plan could not be maintained or even offered to our community.

Literally, thousands of youngsters who otherwise would not know what engineering is all about are exposed to the field of engineering during these events.

We have looked over the sponsorship levels and our organization would like to ensure the continued success of the Toledo Area Engineers Week activities! Please have Sponsor information to the TST Office no later than February 1st in order to be included in all printed materials.
