TECHNICAL SOCIETY OF TOLEDO

The Technical Society of Toledo (TST) is the umbrella organization of the many professional engineering, technical and professional societies that have local chapters serving technical professionals in the Toledo area. TST is dedicated to serving its member organizations, corporations, educational institutions, engineering support services and individuals.

Such an umbrella organization facilitates cooperative efforts by Toledo area scientific and engineering men and women. Coordinated action by the technical community is helpful to identify and achieve loftier educational and societal goals.

2,500+ individuals are able to "stay in-the-know" on the latest news that affects the technical community by taking advantage of the benefits TST has to offer through its cost effective membership...

Just a few of the TST member benefits:

- Promote your company or society happenings via:
 - Email bursts to membership
 - Links to your company or society on our website.
 - Publish FREE articles & announcements in the Technical Topics Newspaper.
- Receive our Technical Topics Newspaper twice a year.
- Access to Administrative Services through our office at a nominal fee.

By becoming a member, you will be joining one of the oldest and strongest technical communities in Ohio and helping to make it even stronger! The investment you make by joining will definitely be money well spent.

WHAT IS TST?

TST was formed in 1968 by the merger of the Toledo Area Technical and Scientific Educational Foundation (TATSEF), Engineering Society of Toledo (EST) and the Toledo Technical Council (TTC). TST membership levels are individuals, corporate, organizations and professional societies. TST reaches and serves 2,500+ Toledo-area technical people.

Social:

TST offers monthly networking opportunities through our Friday luncheons. Programs focus on various technical issues affecting the community. Spouses and guests are always welcome. TST now offers Continuing PDH certificates for registered P.E.'s.

Identity:

TST is a leader in educating the community on the many technical issues important to the NW Ohio area including contributions made by scientists, technicians and engineers in government, industry, medicine, law, journalism and education.

Supportive Role:

TST co-sponsors the Toledo area celebration of National Engineers Week with the Toledo Society of Professional Engineers and The University of Toledo's College of Engineering.
